HealthGuard Pro

HealthGuard Pro

Your Digital Companion for Wellness and Care

About Us

HealthGuard Pro is an easy-to-use app that helps you understand and improve your overall health. It looks at your physical health, mental well-being, diet, and lifestyle choices, by using reliable tests and data. The app is designed to be simple and user-friendly, so anyone can use it to take charge of their health.

Why HealthGuard Pro?

HealthGuard Pro

Comprehensive Insights

Get assessments across physical, mental, and nutritional health.

Health Monitoring

Easily track and manage your overall health status.

Team Collaboration

Stay connected and motivated with scoreboards

Real-Time Feedback

Monitor progress instantly for improved health outcomes

enter your new password

The image shows a 'Set a password' form with a title, a message, two input fields, and a submit button. Hand-drawn arrows point from external text labels to the input fields. The first arrow points from 're-enter to confirm your new password' to the 'Re-enter Password' field. The second arrow points from 'enter your new password' to the 'Create Password' field. A mouse cursor is hovering over the 'Set password' button.

Reset Password

A dark blue laptop is shown from a slightly elevated angle. The screen displays a white rectangular form with rounded corners. The form has a title, a message, two input fields, and a submit button.

Physical Fitness Quiz

3. How long can you sustain moderate activity, like jogging or cycling?

An hour, nearly

15–30 minutes

Less than 15 minutes

I can't sustain it without stopping

Previous

Next

clean and user-friendly
interface

Quiz

Physical Fitness Quiz

4. How many push-ups or squats can you do in one set?

☐ 20 or more

☐ 10-20

☐ Less than 10

☐ I can't do them at all

Please select an answer before proceeding.

[Previous](#) [Next](#)

Please select an answer before proceeding.

If a user tries to proceed without selecting an option, a prompt appears with the message: 'Please select an answer before proceeding.' This ensures that all questions are answered before moving forward, maintaining the integrity of the quiz.

Edit

The image shows a web application interface for 'HealthGuard Pro'. It features a dark blue sidebar on the left with four navigation items: 'Dashboard' (with a grid icon), 'Leaderboard' (with a bar chart icon), 'Profile' (with a person icon), and 'Logout' (with a right arrow icon). The main content area is white. At the top of this area, it says 'Hello, NILESHWARYA R' on the left and 'HealthGuard Pro' on the right. In the center is a profile card. The card has a circular placeholder for a profile picture at the top. Below it is a form with two input fields: 'Username' (containing 'NILESHWARYA R') and 'Email' (containing 'nrroonwal@gmail.com'). Under the form is a table with two rows: 'Rank' with the value '1234th' and 'Points' with the value '635'. A dark blue 'Save' button is positioned at the bottom right of the profile card.
